[2012 Destination Guide Book - 2012 Tourism Handbook](#)

The following are materials presented by the Royal Cambodian Embassy in Washington, DC. We suggest that tourist print out and maintain some of the following information for easy access to important information.

- The Royal Cambodian Embassy has compiled a list of useful contacts in Cambodia. Included in this list are foreign embassies in Phnom Penh and the contacts addresses and phone numbers to the Cambodian Ministries. [Click here](#) for the list.
- Travelling to Cambodia? Learn to speak a little Khmer! [Click here](#) for the Embassy is language center.
- Need traveling information while you are in Cambodia? There are some information to some places and provinces. [Click here](#) for details.
- The distances between major cities. [Click here](#) for details
- Useful telephone numbers in Cambodia. [Click here](#) for details
