MESSAGE FROM THE AMBASSADOR OF CAMBODIA TO MALAYSIA SELAMAT DATANG
Welcome to the homepage of the Royal Embassy of Cambodia in Kuala Lumpur, that I have the great pleasure to launch it.

The overall missions of the Embassy is to strengthen the relations between Cambodia-Malaysia both government to government and between citizens, companies and organizations in the two countries. It is also our objective to inform the public on issues that are important to Cambodia-Malaysia relations.

I do hope that this website will serve as the vital bridge of communications to promote friendship and multi-faceted cooperation between Cambodia and Malaysia, and between Cambodia and other countries around the world.

I very much appreciate for visiting our website and do hope that you share with us your thoughts and comments of the website, or make your recommendations so that we can make it more relevant.
