

About Tourism Information Board

Our main objectives are:

- To promote the Cambodian tourism industry
- To develop resources on Cambodian tourism
- To conduct and advise on the available training programs for human resources in tourism with the Ministry of Tourism of Cambodia

Currently, the Tourism Information Board's main activities comprise both domestic and overseas promotion projects designed to expand travel and tourism in Cambodia in connection with the Cambodian Travel Agencies

COURTESY OF
TOURISM INFORMATION BOARD

The World Bank has predicted that Cambodia's tourism sector will grow by 15%, while the Royal Government of Cambodia has estimated that the arrivals of international visitors will reach 1.5 million by 2006, 2.2 million by 2008 and 3.12 million by 2010.
